# RESILIENT YANTIC RIVER COMMUNITY CONVERSATIONS MAY 2025

City of Norwich and SECOG are hosting two events in May to discuss flood mitigation options along the Yantic River corridor, and encourage members of the local business community to attend either or both sessions.

## Business Community Focus Group

We welcome business operators and commercial property owners located along the Yantic River corridor to discuss flood impacts to businesses and local flood risk mitigation options at a dedicated business community focus group session. **Registration required.**

**Date:** May 7, 2025 | **Time:** 6:00 - 7:30 PM\*\*

**Location:** SECOG Office: 5 Connecticut Ave, Norwich

\*\*If you can't make the main session, SECOG staff are on call from 8:30 AM - 5:00 PM on 5/7 to replicate session content in one-on-one conversations

Register Here:

bitly

## Public Open House

Residents of Norwich, Bozrah, and Franklin impacted by Yantic River flooding at home, on roadways, or otherwise are encouraged to attend to discuss potential flood risk reduction options and their potential benefits and trade-offs.

**Date:** May 21, 2025 | **Time:** Drop in any time between 5:00 and 7:00 PM. Formal project presentation at 6:00.

**Location:** Otis Library, 261 Main Street, Norwich
